WINS LIBERTY FLAG

POLK TOWNSHIP GOES OVER THE TOP IN LOAN DRIVE

TEN TWPS. GET EMBLEMS

Official Figures Are Being Compiled By Executive Committee, But Will Wait for Lagging Townships

Polk township has gone over the top with its subscription to the third Liberty Loan.

Chairman W. C. Pierce announced today that the Liberty Loan flag had been sent to ten towns in as many townships in the county who have won the right to display the Liberty Loan flag, each of the ten having oversubscribed its quota of the loan. The Liberty Loan flag won by Polk township was delivered by Chairman Pierce this morning to Troop I, Boy Scouts, with authority to raise it on the flag pole at the corner of Fourth and Main streets at a time to be chosen by them.

The executive committee has not yet compiled the figures on the subscriptions turned in and will wait until every township in the county has gone over the top before making up the total amount.

Three townships, it is learned, have not yet reached their quota, but have reported to Chairman Pierce that they are going strong and have no doubt that their goal will be reached within the next few days.

The organization in each township will be kept intact even after all have reached the goal and work will be continued until the end of the campaign on May 4.

AWVRD TRACK MEET MEDALS

Public School Grade Pupils, Winners In Last Friday's Events, Presented Silver Emblem

A feature of the general assembly at the high school this afternoon was making award of medals to grade pupils who were winners in the track meet events held on the Normal course last Friday. The winners of individual points in each class were awarded silver medals, the classes being divided with regard to weight.

In class A for heavy weights Harry Carstens of B-8 was first, with twenty-three points.

In class B for medium weights Edward Awalt of A-8 was second with twenty-three points.

In class C for light weights La Verne Robey of B-6 was third with fifteen and one-half points.

KEPT PIG IN BATH ROOM.

Oklahoma City, Okla., April 17. — The old song, "They Kept the Pig in the Parlor" is now supplanted with "They Kept the Pig in the Bath Room." Mark Kessler, Commissioner of Public Safety, said a family had been discovered which had kept a good-sized pig and reared it from a shoat in the bath room of their flat here.

CHILDREN'S WEEK, MAY 5-12

Mrs. R. M. Barry, Elementary Superintendent, Urges All Sunday Schools In Nodaway County to Observe It

Several of the Sunday schools of Nodaway county are planning to observe "The Continent-Wide Children's Week," May 5 to 12. Mrs. R. M. Barry, elementary superintendent of the Nodaway County Sunday School Association, is requesting every Sunday school in the county to cooperate in the observance of this week by planning such educational meetings as may be arranged for parents and teachers through the week, and a special cradle roll program for Sunday, May 12. Also that a canvass be made of each community in the county for the purpose of enrolling the babies on the cradle roll, and other children not attending Sunday school in the beginners, primary and junior departments.

"It is imperative at this time," says Mrs. Barry, "when so much is being done by our government to meet the physical and intellectual needs of the children that the Sunday schools prepare to meet the spiritual needs as well, by better equipment, and teachers in training, and special community services for the purpose of learning the spiritual needs of the children and by outlining plans to meet those needs." For this purpose Mrs. Barry urges all Sunday school workers to make a special effort to observe Children's Week.

TO SHOW 2 UNUSUAL FILMS

Pictures for Red Cross Benefit at the Christian Church Tomorrow Night Should Prove Interesting

The two pictures that are to be shown at the Christian church tomorrow night, "The Retreat of the Huns from Arras" and "Mrs. Slacker," for the benefit of the Red Cross, are only available for war relief purposes. The former has just been released by the United States government for use by the Red Cross society and should prove one of the most interesting films shown here. Both films bring a message of the great struggle and should be seen by every one.

Chairman G. B. Roseberry of the Nodaway chapter has named Mrs. Arthur M. Crooke chairman of the committee to arrange details and advertise the benefit and she will be assisted by Mrs. Merrill Alderman and Mrs. Ed G. Orear. Miss Ruth Montgomery, Mrs. Dale Bellows, Mrs. Harold Bellows, Mrs. Edison Blagg and Miss Ora Barmann will act as ushers during the showing of the films. The price of admission is named as 15 cents "and up."

NORMAL STAR TO THE NAVY

Cleo "Big Bill" Richards Enlists for Service and Goes to Great Lakes Training School

Cleo Richards of Guilford, a student at the state normal school, enlisted in the United States navy at Kansas City yesterday. He will report for duty next Monday and will be sent to the naval training school at Camp Decatur, Great Lakes, Illinois.

Richards, popularly known as "Big Bill," has been prominent in athletic circles at the normal. In both foot ball and basket ball he ranked as one of the best players in the Missouri Conference.

Called to Fort Riley.

Lieutenant J. E. Pierpoint of Skidmore left today for Fort Riley, Kan., where he has been called to report for duty.

Member of Band Here.

Bert Woodard, a member of the Fourth Missouri band, stationed at Battle Creek, Mich., arrived in Maryville to spend a six day furlough with friends and relatives.

GETS HURRY ORDER TO CAMP

Walter Hanson, Athletic Director at Normal, Will Leave for New Post Tomorrow

Walter Hanson, physical director of the Maryville Normal for the past few years, will leave in the morning for Atlanta, Ga., where he will begin his work as athletic director of the national army cantonment at Camp Gordon.

Mr. Hanson did not intend to report until the first of May, but he has received orders from the government to report at once. Mrs. Hanson will remain in Maryville for the present.

Director Hanson has been very successful in his work at the Normal and his friends are predicting success for him in his work with the Sammies. The boys of the Normal school presented him with a handsome shaving set this afternoon.

HUNTING UP WHEAT

FOOD ADMINISTRATOR GETS 3 CARS READY FOR MARKET

WARNS HOARDERS AGAIN

Person Found With an Over Supply of Food Stuffs Will Receive But One Request to Release It

County Food Administrator F. P. Robinson has been devoting his time for the past three weeks to scouring the county for wheat in response to the urgent request of the national administration that all wheat be marketed at once. Mr. Robinson reports that three carloads have been found in this county, most of it in small quantities. One large holder when advised that all wheat must be marketed, after a short delay, decided that Uncle Sam could have it. One other large holder has not released his holdings for sals as the government has requested and it is likely that it will be hauled to market this week by the food administrator over the protest of the owner.

Over 100 sacks of flour were returned to dealers last week, according to Mr. Robinson, together with quite an amount of sugar. Hoarders of food stuffs are being hunted out and if they do not release their over-supply on first request they are given the alternative of having it taken out and get paid for it what they gave. The food administration says that there will be no fooling about the matter of hoarding food supplies and that any person found hoarding more than a normal supply will be punished.

INSPECTED PUBLIC SCHOOLS

W. M. Oakerson of State Superintendent's Office Pleased With Conditions Found In the Maryville Schools

W .M. Oakerson, of the state superintendent's office at Jefferson City, visited the public schools in an official capacity yesterday for the purpose of inspecting the schools and to make a formal report. Mr. Oakerson expressed himself as well pleased with the condition of the schools in general and declared that there was an extraordinarily strong corps of grade teachers. Among several suggestions that will probably accompany his report will be that the high school is in need of additional equipment to carry on the manual training work, Mr. Oakerson having found that the present equipment was inadequate for the needs of the classes.

Mr. Oakerson spent Monday at Hopkins and Pickering where he inspected the schools, going from here to Craig on a similar mission.

FIRST NEGROES ARE CALLED

Nodaway County Will Send Three Colored Men With Quota That Leaves On April 26

The local draft board has been called to supply Nodaway county's quota of colored men for the next contingent which leaves on April 26 for training at Camp Funston. The three men selected by the draft board are:

Arthur Smith.
Adolphus Gunn.
Ned Holmes.

These three will join the twenty-eight white men already named by the board.

The call for May 10 designates that fourteen men compose the quota. The board has not yet made selection of the registrants for this new call. The men will be sent to Jefferson Barracks.

GET FIRST LESSON

ONE HUNDRED WOMEN ATTEND HOUSEWIVES' TRAINING SCHOOL

THE NEED TO CONSERVE

Miss Anna Bainum Gives Reasons for Using Substitutes—Teachers Will be Sent to Towns In the District

The first lesson in the government training school for housewives was given yesterday afternoon in the basement of the Elks Club by Miss Anna Bainum, head of the domestic science department of the high school.

More than one hundred women were present. Three hundred have registered for the course, which will be held each Tuesday, Wednesday and Thursday afternoon. As near as convenient the total is divided equally for each day's work. If any woman finds it impossible to attend on her registered day, she is free to come on either of the other days. Registration is still open for any woman in the county. A number from out of the city were present yesterday and Miss Bertha Beal, county chairman, is arranging to send instructors to the centers of the districts where it is not possible for the women to attend here.

The lesson yesterday was a talk by Miss Bainum on the value and function of food, in which she gave instruction to be worked out later in the demonstrations beginning next week.

Miss Bainum gave an excellent talk and her listeners were busy with note books recording the items of greatest value in their future lessons and in their home cooking. In beginning her talk Miss Bainum gave some of the important reasons why we should conserve certain foods, needed to furnish quick energy to our soldiers and those of our allies, and why we at home can use the substitutes of equal value but slower in creative process.

She said in introduction, "It is the duty of every housewife to don her national uniform, the kitchen apron, and start in with the determination to do her best in this great national food conservation campaign. The first logical step for every woman to take is a thorough study of food values. Without this we are helpless to make proper selections and to use the proper substitutes. We have many times been told there are three great factors in winning the war—men, money and food. So we must do our share in eliminating the food waste and in using the substitutes properly in order that the health of our families may not suffer. Because of the condition of rainfall, unexpected frosts, late springs and the various unkindnesses of nature which have visited parts of the country and injured the crops we must be especially careful this year in order that we not only supply our soldiers, but keep the home rations balanced properly."

A telephone, 589, has been installed in the work rooms and Miss Beal can be reached there each afternoon between 2:30 and 4.30.

Dr. D. J. Hunterson of Ravenwood was a Maryville visitor today.

Church Social

NEW WEAPON TO FIGHT SUBS

Prominent New Yorker Tells of New American Invention Which Has Been Tried With Success

New York, April 17.—The United States has found another effective weapon to combat the submarines, Charles E. Mitchell, president of the National City company, declared in a speech here. He stated he received word from a most reliable source in America of the new invention, which had been tried against submarines with much success. A dozen submarines were captured within a space of two days. He refused to give additional information.

ARE JUNIOR 4-MINUTE MEN

Grade Pupils at Washington School Try for Honors in Address On "How to Win the War"

The four-minute men are not limited to the men who speak in behalf of government bonds, the Y. M. C. A., Red Cross and other war activities. The public schools are turning out some new four-minute men — girls and boys. In a contest for honors in the grade rooms yesterday at the Washington school in four-minute talks on "How to Win the War," six pupils from each room took part, members of the high school class acting as judges. The talks were good and were given with much enthusiasm.

The winners in each room were as follows:

B-4, Ethel Tabler; A-4, Lauren Yeo; B-5, Gertrude Arnett; A-5, Leslie Whitehead; B-6, Esther Roseberry; A-6, Hazel Frede; B-7, Cecil Maul; A-7, Floyd Cook; B-8, Greva Phipps; A-8, Iva Hartness.

The names of the winners will be recorded in Washington as junior four-minute men.

RUSH DAY FOR CORN TESTERS

Receipts at Local Station Today Expected to Run Considerably Over One Hundred Bushels

The two big rooms underneath the Real Estate bank looked today like a cold storage plant for eggs, only the egg cases were filled with corn instead of eggs. Today is the biggest day's testing the local station has had it started some three weeks ago under the direction of J. M. Huston, district farm agent.

This morning some twenty-five high school pupils were gathered at the testing tables busy placing the corn for the tests. This afternoon another squad had taken their places with corn still being received faster than it could be cared for. The squads will work regularly each day, however, until all the corn that is brought is tested and read. It is expected that today's tests will run considerably over 100 bushels.

APPROVE 3-TERM SESSION

Board of Normal Regents Held Regular Meeting Today With Majority of Members Present

The board of regents of the Normal school, in session today, approved the faculty plan presented to them to divide the calendar year into three-term sessions of sixteen weeks each, in place of the four-term session now in use.

Other business of the board at the meetings held this morning and afternoon, was of routine nature.

The following members of the board were present. W. A. Blagg, Maryville; W. H. Weightman, Mound City; Leo M. Phipps, Grant City; True D. Parr, Hamilton; Chas. L. Moseley, Stanberry; and Uel W. Lamkin, state superintendent of schools.

HOME GUARDS GET QUARTERS

Have Secured Martin Building On Main Street for Drill Headquarters

The Maryville Home Guards have secured the Martin building at the corner of First and Main streets as their headquarters and drill room. Other arrangements may be made later, as these rooms are only temporarily engaged.

BATTLE REACHES A CRISIS

GEN. PLUMER RECALLED FROM ITALIAN FRONT TO COMMAND SECOND BRITISH ARMY

MESSINES RIDGE NOW IN HANDS OF GERMANS

The British Line On Passchendael Ridge Is Also Menaced, If Not Already Crushed—Greek Army Enters Fight Against the Bulgars

Bulletin.

London, April 17.—General Plumer, one of the greatest soldiers the war has produced, has been recalled from the Italian front by the British war office and is now commanding the second British army holding the line at Bailleul, Wolverghem and the Messines ridge front.

London, April 17.—The great battle of Flanders has reached its critical stage. By constant pressure and the continued use of fresh troops the Germans have broken the British grasp upon Messines ridge and the British grip upon Passchendael ridge is seriously menaced, if it has not already been crushed. These are the two dominating series of heights held by the British in Belgium.

The British in a night counter drive at Wytschaete sector are declared to have been successful. There was a flareup of fighting near Boyelles on the front south of Arras which again left the British victors. The Germans penetrated a few trenches but were quickly driven out. The Ypres sector is the stage of both importance and interest today.

London, April 17. — The British struck back hard against the Germans in a successful attack on the northern end of Messines ridge last night, but were forced to withdraw slightly east of Ypres, the war office reported at noon today. The successful counter blows of the British were centered in the sector of Wytschaete where the Germans had scored an advance in their frontal attacks against Messines ridge Tuesday.

The British are again in complete possession of the village of Meteren, two miles west of Bailleul. The Germans tried to extend their gain north of Bailleul, but all their attacks in that zone were repulsed.

Paris, April 17. — Artillery duels raged between the Oise and the Somme rivers on the Picardy front during the night while the French troops made successful raids at various points.

London, April 17.—The Greek army went into battle against the German allies today for the first time since Greece entered the war and won a victory, the British war office announced. An important success was achieved in the sector of the Strum river, north of Taphitos Lake in Greek Macedonia and a number of villages were captured from the Bulgar-German forces. The Greeks alone captured five villages while the British captured another one.

THOUSANDS OF CAUSALTIES

Germans Sustained Terrible Losses In Capture of Helsingfors—Hungarian Named to Succeed Czernin

Washington, April 17.—In the fighting which preceded the capture of Helsingfors by the White Guard and their German assistants there were thousands of casualties, a report to the state department from Swedish sources today stated.

Advices reaching Washington today stated that Baron Burianwa, a Hungarian, had been appointed foreign minister of Austria Hungary in place of Count Czernin, who resigned.

It is also reported that the work of the railroad wage commission has been completed and is ready for Director McAdoo's inspection. There is no intimation given of the recommendations that are made, but it is believed they will carry increases that will meet the expectations of the men.

MARYVILLE TAILOR MAKES VALUABLE FIND

"After spending $900 for medicine and doctors in four years without getting any benefit for stomach trouble and bloating I was induced by my druggist to try Mayr's Wonderful Remedy and must say that a $1 bottle has done me $500 worth of good." It is a simple, harmless preparation that removes the catarrhal mucous from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Maryville Drug Company.

STYLE HEADQUARTERS
Where Society Brand Clothes are sold

Society Brand Clothes

Seasonal Clothes

NEVER before have we had a stock of better-tailored Spring suits. These suits bear the SOCIETY BRAND label, the pledge of the makers that guarantees you an up-to-the-minute style and tailoring and workmanship of the very best.

The interest of well dressed men will be centered in such suits because they are so richly expressive of the best in clothescraft.

The Lincoln, illustrated above, is especially desirable for men who prefer clothes cut on conservative lines. This suit has wider shoulders, broader back and is larger in the waist than regular models. The vest and trousers are cut in proportion, larger in waist, and easier throughout.

Entertained at Dinner.

Mr. and Mrs. Eldon Irvin entertained at 6 o'clock dinner last night. The guests present were: Mr. and Mrs. F. P. Reuillard and daughter, Marie, Mrs. Leland Andrews and son, Jack, of St. Joseph.

Met With Mrs. Baker.

The regular meeting of the Young Woman's Foreign Missionary Society of the First Methodist church was held last night at the home of Mrs. George B. Baker with Miss Mary Evans assistant hostess. A good attendance answered to roll call. The regular study lesson was held and afterwards was a short musical program. Dainty refreshments were served by the hostesses.

Elects Officers.

The Twentieth Century Club held their annual election of officers yesterday afternoon at the Elks Club rooms. The officers elected were: President, Miss Ruth Montgomery; first vice president, Mrs. Gallatin Craig ,re-elected; second vice president, Mrs. Arthur Brewer; recording secretary, Mrs. Merrill Alderman; corresponding secretary, Mrs. Dale Bellows; treasurer, Mrs. J. M. McDonald; custodian, Mrs. C. C. Corwin, and auditor, Mrs. L. E. White. The installation of officers will be held in May. A clean-up campaign was also discussed at yesterday's meeting, and it was voted to take the question up with the mayor.

Ladies Aid Society.

The Ladies Aid Society of the Christian church meets tomorrow afternoon at the church. Division C will hold a market.

Tuesday Bridge.

Mrs. M. L. Beattie entertained the members of the Tuesday Bridge Club yesterday afternoon. The prize was won by Mrs. Fay Bellows.

Elmo Auxiliary Meets.

The Elmo auxiliary met last Wednesday, April 10, and worked sixty yards of gauze into 4x4 French wipes. They also gave an ice cream social on Saturday, April 13, clearing $67.60.

Alert Rebekah Lodge.

The members of the Alert Rebekah lodge are urged to be present tomorrow night at the I. O. O. F. hall, and especially the drill team, so that arrangements for visiting the Wilcox lodge may be completed.

Entertain for Teachers.

Mr. and Mrs. H. T. McMulin of Ravenwood entertained at 6 o'clock dinner last night in honor of the teachers of the Ravenwood public schools. Those present were: Prof. and Mrs. Wesley Baker, Miss Mary Wallace, Miss Mary Lewis and Miss Helen Waske.

Surprised Teacher.

The pupils of the seventh and eighth grades of the Ravenwood schools surprised their teacher last evening in the basement of the Ravenwood Christian church. The evening was spent playing games. Refreshments of sandwiches, pickles and bananas were served.

Mary Lawrence Circle.

The Mary Lawrence Circle met last night with Miss Marie Reuillard. About fifteen members were present. Miss Cora Price gave an interesting paper on "The Lure of Africa," and Miss Laura Hawkins held a book review on "The Girl and Her Religion." Light refreshments were served by the hostess, assisted by Miss Addy Hunter.

Dr. and Mrs. Cox Honor Guests.

Dr. and Mrs. J. L. Cox of Alliance, Neb., who were recently married, were honor guests at a dinner given today at the home of Dr. Cox's parents, Mr. and Mrs. John B. Cox. Additional guests were: Mr. and Mrs. John Conaway of Graham, Mr. and Mrs. A. D. Saunders and little daughter, Mrs. Retta Nichols and children, and Mrs. Ralph Cox and children.

Rebekah Lodge at Ravenwood.

The Rebekah lodge at Ravenwood held their regular business meeting last night. Following the business hour, was a short program, which was as follows: Violin solo, Wavie Ralston; solo, "Joan of Arc," Albert Hulen; reading "The New Time," Ruth Spear; duet, "Over There," Virginia and Dorothy Hulen. Miss Faye Bishop was at the piano. Refreshments of pie, doughnuts and coffee were served.

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work.

People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, griping cathartics are derived from Dr. Edwards' Olive Tablets without griping, pain or any disagreeable effects.

Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint, with the attendant bad breath.

Dr. Edwards' Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 10c and 25c per box. All druggists.

WALLIS
The Tractor Years Ahead Of Its Time!

THE WALLIS tractor offers you for the first time the five fundamental elements which our farmers want. These are Light-weight, Power, Durability, Speed, and Economy.

50% More Power At The Draw Bar

Power at the draw bar is what does your work. And power can not be bought by ton weight.

The Wallis tractor weighs only 3000 lbs. That is 1000 to 5000 lbs. lighter than other tractors designed to do the same work.

The Wallis delivers at the draw bar 74% of the power generated by its motor. This means that from every gallon of fuel it delivers 50% more power at the draw bar than heavy tractors which require 40% to 50% of their power to propel their own weights. This epoch making fact is accomplished by the simplicity of design and excellence of materials and workmanship.

Speed A Big Factor In Plowing!

The Wallis turns this big saving in usable power into draw bar pull and speed. It pulls three 14 inch bottoms 6 to 8 inches deep at the rate of 2½ miles per hour. This means 10 3-5 acres per 10 hour day.

The average tractor is designed to pull the same load 1¾ miles per hour or 7 2-5 acres per day.

Biggest Returns For Your Money

This tractor which is years ahead of its time offers wonderful rewards to Wallis users. With the care to which it is entitled it will give you the biggest returns for your money because it will do the most work in a given time and will last the longest. Divide its purchase price by the years of service and it will be found the most economical—that's want counts.

These are features which you should consider seriously before you decide upon any tractor. We will gladly explain the many advanced ideas in the Wallis to you.

GET PAID IN THRIFT STAMPS

Grand Jury Witnesses Received This Form of Currency

Cleveland, April 17.—Following out instructions of County Clerk Haserodt here, witnesses before the grand jury have become unwittingly owners of thrift stamps. After appearing before the grand jury the witnesses called at the clerk's office in the court house for their fees. These were paid to them in thrift stamps and ranged all the way from a few stamps up to several dollars worth. All of the witnesses were glad to take their pay in this form of currency.

Weller-Moyer.

Miss Katheryn Weller of Maitland and E. L. Moyer of Centralia, Kan. were quietly married at 2 o'clock this afternoon at the Christian church parsonage of Graham, the Rev. S. D. Harlan officiating. Mr. and Mrs. Moyer will make their home on a farm near Centralia.

MORE MEN NEEDED, SAYS BAKER.

Washington, April 17. — Further speeding up of all war activitits of the United States is the information Secretary of War Baker makes as a result of his over-seas inspection trip. Men and more men is the great need today.

Charles Anders of Medicine Lake, Mont., is visiting friends in Maryville. Mr. Anders formerly lived in Maryville.

Katherine, the little daughter of Mr. and Mrs. I. A. Goodson of Ravenwood underwent an operation this morning at the St. Francis hospital.

Fiery Irritations of the Skin Show Your Blood Needs Purifying

A Sluggish, Clogged-Up Circulation Causes Skin Eruptions.

Eczema is called a skin disease because the tiny littie germs which cause the disease set up their colony on some portion of the skin's surface, and here spread their irritation that soon begins to burn like flames of fire.

There are other forms of so-called diseases of skin, such as tetter, boils, pimples, acne, erysipelas, scaly eruptions, blotches and rough irritations, that are a source of much pain and annoyance.

And, while these disorders are generally referred to as skin diseases, they are really traceable to a disordered condition of the blood, and they are never experienced by anyone whose blood is free from impurities. If you are a victim of any form of these painful and irritating disorders of the skin, causing, as they do, such constant annoyance, you canont expect any real benefit from the local treatment so generally used, such as lotions, ointments, salves, etc.

You are simply postponing a cure and adding to your days of torturing discomfort when you waste time on such remedies applied to the surface. You must reach the cause of the disorder, the actual source of the pain, before you can hope to stop the pain itself. The cause of all of these so-called skin diseases is in the blood, and you cannot reach the blood by external remedies applied to the surface.

Give your blood a thorough cleansing with S. S. S., the great old blood purifier, and you in this way eliminate all impurities which cause skin diseases and other derangements. This is the logical treatment, and it has proven its great worth in hundreds of cases because it is a purely vegetable remedy and cleanses the blood of all foreign substances, and fills the veins with a fresh supply of rich, red and vigorous blood. Go to your drug store and get a bottle of S. S. S. today, and get on the right treatment, and waste no further time on washes, ointments and lotions, that cannot reach below the surface. If your case needs special medical advice, it can be had without cost by writing to Medical Director, Swift Specific Co., 83 Swift Laboratory, Atlanta, Ga.

MARCH TO VICTORY

Courage is a matter of the blood. Without good red blood a man has a weak heart and poor nerves.

In the spring is the best time to take stock of one's condition. If the blood is thin and watery, face pale or pimply, generally weak, tired and listless, one should take a spring tonic. One that will do the spring housecleaning, an old-fashioned herbal remedy that was used by everybody nearly 50 years ago is still safe and sane because it contains no alcohol or narcotic. It is made up of Blood root, Golden Seal root, Oregon Grape root, Queen's root, Stone root, Black Cherry bark—extracted with glycerine and made into liquid or tablets. This blood tonic was first put out by Dr. Pierce in ready-to-use form and since then has been sold by million bottles as Dr. Pierce's Golden Medical Discovery. If druggists do not keep this in tablet form, send 50 cents for a vial to Dr. Pierce's, Invalids' Hotel, Buffalo, N. Y.

Kidney disease carries away a large percentage of our people. What is to be done? The answer is easy. Eat less meat, eat coarse, plain food, with plenty of vegetables, drink plenty of water between meals, and take an uric acid solvent after meals for a while, such as Anuric (double strength), obtainable at almost any drug store. It was first discovered by Dr. Pierce. Most every one troubled with uric acid finds that Anuric dissolves the uric acid as hot water does sugar. You can obtain a trial package by sending ten cents to Doctor Pierce's Invalids' Hotel and Surgical Institute in Buffalo, N. Y.

Raise Service Flag.

A service flag was unveiled at the Maitland Christian church last Sunday evening. The program of music and readings was exceptionally fine. A new "Old Glory" has also been purchased to grace the walls of the building. The minister, Rev. S. D. Harlan, will preach April 21 at Palestine in the morning. This is Decision Day in the Bible school. Preaching at Graham at night, while the Endeavorers will have charge of the services.

Will Leave Soon for Home.

Paul Thompson, who has been spending several days with his parents, Mr. and Mrs. N. B. Thompson, will leave soon for Rochester, Minn., where he has been making his home for the last two years. Mr. Thompson expects to leave soon with a quota of men from Rochester, for military training at Camp Dodge, Ia.

To Give Play at Harmony.

The play entitled "Somewhere in France" will be given Thursday evening by the Harmony High School at the Harmony church.

Mrs. Art Wiley of Pickering is in Maryville on business today.

This corn was all grown within 6 miles of Skidmore and is acclimated. I have an advantage of 1,000 bushels, government tested, that averaged 97 per cent, the highest quality in the state.

THREE REASONS WHY YOU SHOULD BUY YOUR SEED CORN OF US.

1. The farmers need the seed. 2. The country needs a good corn crop. 3. We have the quality and it is price reasonable.

A. F. HOWDEN & SON

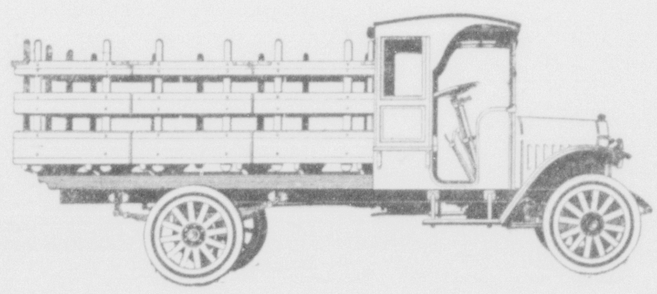
75% of all hauling can be done by a Maxwell truck



MAXWELL TRUCK

There are now more than 6600 Maxwell trucks in use. They will do everything a 5-ton truck will do except haul 5 tons at one load.

Big trucks spend more gas hauling themselves than the Maxwell uses at peak load.

How well those Maxwells have done their work is shown by a service record of 99.6% perfect—the greatest record ever made by a motor-driven vehicle.

$400 less than any other truck of similar capacity in the world.

$1085, chassis only, f. o. b. Detroit. Electric lights. Electric generator. Worm drive. 10-foot loading space. 2500 pounds.
